Work Experience

United States Postal Service / Sales Service and Distribution

February 2017 - January 2021, Guilford CT

- Acted in multiple capacities throughout my tenure ranging from higher level branch supervisor to regional union steward for the Greater Connecticut Valley
- Managed confidential financial accounts and tens of thousands of dollars worth of product stock, ensuring weekly finances were accurately reported and measured for future evaluation

United States Postal Service / City Carrier

June 2016 - February 2017, Waterford CT

- Sorted and delivered mail and parcels across designated areas, learning and effectively executing a new route each day
- Worked collaboratively with colleagues to ensure prompt deliveries on a daily basis

Star Fish Market / Assistant Manager

July 2012 - June 2016, Guilford CT

- Managed social media presence and advertising, bringing in additional business and establishing a web presence
- Screened and trained prospective new employees, many of which are still working there to this day

Education

Southern Methodist University / Certificate

September 2021 - October 2021, Dallas Tx

192 hour course on backend Java, React Native, Spring Framework, AWS, Web Security.

University of Connecticut / Certificate

January 2021 - July 2021, Stamford CT

280 hour full stack web development certificate program that covers HTML5, CSS3, Javascript, jQuery, Express.js, React.js, Node.js, MongoDB, MySQL, Git, database theory, and agile methodology.

Connecticut College / Bachelor of Arts in International Relations

and Bachelor of Arts in Global Islamic Studies

August 2012 - May 2016, New London CT
